

EXRS 2008
European Conference on X-ray
Spectrometry
June 16 – 20, 2008
Cavtat, Dubrovnik, CROATIA

<http://exrs2008.irb.hr>

EXHIBITION INFORMATION

The European Conference on X-Ray Spectrometry EXRS 2008 follows the biennial conference series which started in Göteborg (1984, 1986) and continued in Vienna, Antwerp, Myconos, Budapest, Lisbon, Bologna, Krakow, Berlin, Alguero and the last one in Paris. Typically these conferences attracted about 300 participants (the last Paris conference was attended by 300 delegates representing 40 countries).

In 2008 the International Conference will take place in Cavtat near Dubrovnik, Croatia, where the Conference Organizers aim to bring together scientists active in basic and applied research and representatives of industry over a period of five days from June 16th to June 20th 2008. The conference will be held in the "*Hotel Croatia*" in Cavtat with ample space and logistics support. Complementary information can be found on the hotel website: <http://www.hoteli-croatia.hr>.

The first conference announcement has been sent to the regular EXRS community which corresponds to a mailing list of more than 4000 addresses. The event is cosponsored by the EXSA (European X-Ray Spectrometry Association) and the IAEA (International Atomic Energy Agency).

Considering the continuous impact of new technologies and state-of-the-art instrumentation into the development of X-ray optics and microscopy, EXRS2008 will constitute an excellent platform for your company. Therefore we would like to welcome you to make the most of this gathering of high ranking representatives in this rapidly increasing field of science to introduce new products and developments to facilitate the decision-making process for new and upgraded experimental equipment.

Different sponsoring possibilities are offered for advertising at the EXRS2008 conference, including advertising at the four day technological exhibition, which is planned between Monday afternoon and Thursday in the area close to the first conference room, poster area and coffee break area (Conference area plan is attached).

In all cases, the list of exhibitors will be included in the printed conference program and on the conference web site, together with a link to each company's website.

The following options are available:

EXRS 2008 Secretary – Ruđer Bošković Institute, P.O.Box 180, 10002 Zagreb, Croatia
fax: +385 1 4680 239, e-mail: exrs2008@irb.hr

1. Commercial area at the exhibition

Area of about 6 m² at a net price of 1500 € and one free registration to the scientific conference. The stand equipment is composed of 1 table, 2 seats, paneling for commercial posters and power plugs (220 V).

2. Joint area at the exhibition

Joint area is about 12 m² area to be shared between 3 companies. The net price is 1000 € per company, with one free registration per company to the scientific conference. The equipment is composed of 3 tables, 6 seats, paneling for 1 commercial poster per company and power plugs (220 V).

3. Your advertising material can be added to the conference bags to be distributed to the participants upon registration. This item has a net price of 500 €.

4. You can sponsor the best poster awards (up to three awards) by 500 €.

On the occasion of the EXRS 2008 Conference we hope to offer you an interesting advertisement opportunity from which the participants might equally well profit. For any further question concerning the exhibition and sponsoring, please contact the conference secretariat. **If you are interested to participate at the conference as exhibitor, please fill the „exhibition registration form” and send it to the EXRS 2008 Secretariat by fax or e-mail. Please note that the exhibition place is limited and will be attributed on a first come, first served basis.**
